There was discussion around the recommendations, and it was decided that CSB responses to the recommendations should be forwarded to Robyn and Jesse at the Executive Office no later than January 6th so that they could be evaluated and a response crafted for public comment.</p> <p>CCBHC/NADD Certification- No update provided at this time.</p> <p>IDD Study Committee- Robyn provided an update that the next meeting is open to the public and that it will be 12/14/2022 at 10:00am room 450 of the State Capitol. Strategic Planning Update	I/DD Campaign Workgroup- Robyn and Jesse provided an update that there is going to be a meeting of the GACSB marketing group this week and that one of the discussion items during that meeting would be a CSB wide IDD Marketing Campaign to further the overall "The CSB is me" campaign.			
Operational Challenges	There was some general discussion on whether CSBs operated any IDD Crisis Homes or IDD Respite Homes,			

	which no one on the call said their CSB did, and the fact that many private organizations are closing their homes because they are a constant loss of money.
