

## The CSB Network offers services in all 159 counties of Georgia

Community Service Boards (CSBs) are created in OCGA § 37-2-6 *et seq.* as public corporations and instrumentalities of the state to provide services for mental illness, developmental disabilities, and addictive diseases. There are 23 CSBs across Georgia with Boards of Directors appointed by the governing authorities of the counties within the CSB area

Every year, CSBs help thousands of Georgians on a path to recovery

CSBs serve over 29,000 children and adolescents and over 144,000 adults with mental illness and/or addictive diseases

CSBs seek to empower clients to improve the quality of their lives based on their individual strengths, needs, abilities, and preferences

## Providing Care Across the State

CSBs serve eligible persons with serious mental illness and/or addictive diseases who have no insurance and limited to no means to pay for treatment. CSBs also serve persons with Medicaid. Individuals with other insurances are served based on the CSB's capacity and local need.

## Continuum of Care

CSBs provide a range of treatment and support services depending on clients' needs

### **Core outpatient Services:**

- Case Management
- Counseling
- Crisis Services
- Medication

### **Specialty Services:**

- Crisis Stabilization Units
- Day Programs
- Residential Substance Abuse Treatment
- Supported Employment
- Supported Housing
- Treatment Courts

CSBs also collaborate with other organizations to better serve their communities
